Mr. J. J. Collier,
Corpus Christi, Texas.

Dear James;

I have your letter of the 19th. I intended mailing you a photograph of Durward's three children that were all on one card, evidently we got them mixed up in some way as there were several mailed out at the time from my office.

I will write to Geo. C. Mages & Co. of Chicago if you wish me to do so. I have quite a few friends in Chicago but they are all connected with the dry goods line and I doubt if they would know these people. I can try this out however if you wish me to do so but thought best to write you before sending out my letters. I have several personal friends connected in the buying departments of big wholesale stores like Marshall Field & Co., John V. Farwell Co. etc. If later you want me to help you out with the casket houses I will take pleasure in doing this as I know quite a few people in St. Louis and possibly you could connect with some good house in that City that would have connections already in your territory.

Sincerely,

JCC:C
